The Board [1]

What is The Board?

The Board of Governors is the body responsible for proposing amendments to the Party's constitution, and other as-of-yet unspecified governance responsibilities.

Whilst Board Members draft, propose, and vote on amendments, they will only be adopted into the constitution upon approval by the party in a vote of all members.

The Board is comprised of 9 Governors, who are elected by an STV vote of the members no less frequently than every 5 years. The next elections for the full Board must be held by July 2020.

The chair is currently elected by the Board from amongst their number at least once a year. The current chair was elected on 2018-02-07.
