Draft accountability framework for Special Educational Needs and Disability

**Local roles and responsibilities**
- Implement statutory responsibilities
- Focus on effective local area partnerships
- Share and use effective practice to support delivery
- Local area plans and evaluation to support local accountability

**National roles and responsibilities**
- Set and oversee statutory framework and guidance
- Monitor the health and success of the system
- Support the development and sharing of innovative practice and best practice
- Publish data including on user experience
- Intervene in cases of failure

**Independent assessment**
- Ofsted/CQC inspection of LAs and CCGs
- Independent assessment, such as peer challenge

**Improved outcomes and experiences for children, young people and their families**

Special educational needs and disability supporting local and national accountability March 15
