Publication of programme of reviews etc.

(1) The Commission must from time to time prepare and publish a document setting out—
   (a) the special reviews and investigations that it proposes to conduct under section 48,
   (b) the studies that it proposes to undertake under section 54, and
   (c) the reviews that it proposes to conduct under section 57.

(2) Before preparing a document under subsection (1) the Commission must consult—
   (a) the Secretary of State,
   (aa) the National Health Service Commissioning Board,]
   (b) any other person or body specified by an order made by the Secretary of State,
   and it must send each of those persons or bodies a copy of the document once it is
   prepared.

(3) The Commission may determine that any document or combination of documents

    document prepared for the purposes of subsection (1) (so long as the requirements of
    subsection (2) are complied with in relation to the document or documents concerned).

(4) Nothing in a document published under subsection (1) is to be regarded—
(a) as affecting any power of the Secretary of State to require a review or investigation to be conducted or a study to be undertaken, or
(b) as preventing the Commission from conducting an investigation under section 48 where the Commission considers there to be a risk to the health, safety or welfare of persons receiving health or social care.

82 [F2 Failure by the Commission or Healthwatch England in discharge of functions]

(1) The Secretary of State may give a direction to the Commission if the Secretary of State considers that the Commission—
(a) is failing or has failed to discharge any of its functions, or
(b) is failing or has failed properly to discharge any of its functions [F3 and that the failure is significant].

[F4 (1A) The Secretary of State may give a direction to the Healthwatch England committee if the Secretary of State considers that the committee—
(a) is failing or has failed to discharge a function under section 45A or any other function it is required to discharge, or
(b) is failing or has failed properly to discharge a function under that section or any other function it is required to discharge, and that the failure is significant.]

(2) A direction under subsection (1) [F5 or (1A)] may direct the Commission [F6 or (as the case may be) the committee] to discharge such of those functions, and in such manner and within such period or periods, as may be specified in the direction.

[F7 (2A) But the Secretary of State may not give a direction under subsection (1) [F8 or (1A)] in relation to the performance of functions in a particular case.]

[F11 (4) Where the Secretary of State exercises a power under subsection (1) [F12, (1A)] or (3), the Secretary of State must publish the reasons for doing so.

(5) For the purposes of this section a failure to discharge a function properly includes a failure to discharge it consistently with what the Secretary of State considers to be the interests of the health service in England or (as the case may be) with what otherwise
appears to the Secretary of State to be the purpose for which it is conferred; and “the health service” has the same meaning as in the National Health Service Act 2006.
